THURSDAY, DECEMBER 1

THE QUESTION OF THE HOUR

No one who is keenly interested in human ings should fail to hear Hon. Iam Mackenzie, ember of parliament for Vancouver Centre, in e or other of the addresses he is to deliver in monion tomorrow.

amonton tomorrow.

Mr. Mackennie is a strong and very out-spoken blever in the humanizing of economics. Men and omen, he insists, are of more importance than oney. He demands that our monetary system be ade their servant, and not permitted to be their and their servant, and not permitted to be their

aster. He is not a visionary sentimentalist. He has ear-cut ideas as to how our money system should even the control of the control of the control of the changed, and how it should be handled and add to function, in order that conditions such as very exportantly to provide for themselves. This is the question that is being discussed in mande today more widely than any other. And whether in Canada is it of more vital concern than Edmonton and Alberts, where on basic pro-cuase they have produced a supersbundance of eaith.

THE TRAGEDY OF WHEAT

cket.

Hard red spring wheat is the world's premistheat. Canada is proclaimed to be almost without
rival in producing that kind of wheat in perfetor. To take the first 66 places, and 80 out of the
tal of 85 awards, is phenomenal. The hard retring variety is emphatically and distinctivel.

collars, debts, and buying power.

In the Peace River district, which holds the id championship for the fourth time, wheat is ng for about 20 cents a bushel. Or would be ng for that price if the growers bothered to haid market. They are not doing that. Why haid at to fewn when the price will no more than or the cost of harvesting and threshing and time?

In what is internationally declared to be the sat growing section of the confinent par excel-ce, the wheat is lying in the granaries to be in by mice.

ten by mice.

Elsewhere in the wheat belt prices are better by
